### **Out-On-Pass Information**

**You may go out on a therapeutic pass while at the rehab facility. These passes are approved by the facility physician.**

**Per rehab guidelines, family members must check in with a Social Worker to make arrangements to take you out. In addition, they will need to be cleared by PT/OT to safely assist with your transfer and ambulation while you're out on pass.**

**Be advised, per NYS DEA guidelines, no medication can be dispensed for a therapeutic pass without a forty-eight (48) hour notice.**

**If you have questions, please feel free to check with your nursing staff/Social Worker.**

# Labeling Clothing

Dear Resident and Family Members,

Taconic at Beacon has purchased a machine to attach labels to Residents' personal clothing in an effort to reduce or eliminate the misplacement of items.

All clothing provided to Residents or Patients should be brought to the unit nursing station. An assigned staff member will go through the belongings with you or your loved one, an inventory sheet will be completed, and a copy will be provided to you upon request. The clothing will then go to our laundry department where all clothing will be labeled, washed, and then returned to you/your loved one's closet.

We are pleased to offer this service free of charge and hope that the issue of misplaced or lost clothing will be minimized if the above process is followed by all involved.

If you have any questions regarding the laundry system, please do not hesitate to contact our department at ext. 7223.

Enjoy your stay!
