

Gasport Gab

MAY 2025

activities

From the Desk of Activities Director:

April Showers bring May Flowers!

With that being said, we are so excited to start our planting season with marigolds and will soon start regular garden club meetings so we can decide what will go in our garden box on the patio.

This month we celebrate National Nursing Home Week May 11th-17th. We have lots of fun activities planned in conjunction with the activities planned for staff, we look forward to a super fun week.

Our major goal for May is to start getting everyone outside for fresh air and sunshine.

Sincerely,

Kristin Bloom

Wade was born Feb 7, 1957, in Niagara Falls, to Russell and Sylvia Bowen.

He has 3 siblings, Glen, Bruce and Gail. Wade was in the Army Airborne, and we thank him for his service. His favorite thing to do is watch the Buffalo Bills, he definitely is a diehard fan.

We are happy to have Wade as part of the Gasport family!

MAY FUN FACTS!

- ♦ It is the third and last month of spring.
- ♦ The birthstone of May is the emerald, symbolizing success and love.
- ♦ May was once considered a bad luck month to get married.
- ♦ The month was named after the Greek Goddess of Fertility, Maia.
- ♦ No month other than May ever begins or ends on the same day of the week, in the same year.
- ♦ May was not always the fifth month of the year.

Joke Time!

Why is the letter A
like a flower?

**A "B" comes
after it!**

Why couldn't the
flower ride its bike?

It lost its petals.
